

# Absolutely Pure 100% Turkish Tobacco

## 10 Cents for 10

## You Can Smoke Straights with all the Confidence in the World, Gentlemen

WHAT other manufacturer of cigarettes can show a room like this? It is only a section of one floor, yet on all the other floors of the STRAIGHTS factory you will see the same wonderful appearing workrooms, the same intelligent looking people at work. There are no secrets in The American Tobacco Company's cigarette business. The STRAIGHTS factory is wide open for your inspection. From top to bottom it is full of interest.

IT is always the same — never has to be "fixed up," whether the visitor be a M'Cann or the most humble cigarette smoker. Mr. M'Cann, the arch-enemy of filth and deception in food products, cries to the world — "Cigarette Maker Puts Food Makers to Shame." For no darkness, dirt nor disease lurks in the STRAIGHTS factory — as you can plainly see.

CONSIDER with these methods of manufacture the fact that nothing but Turkish Tobacco is used in STRAIGHTS—Receiving Clerk Boyd's affidavit stating that in all his five years

of service he has never seen any but Turkish tobacco from bonded warehouses and bearing the original Turkish markings come into the STRAIGHTS factory; General Manager Vale's affidavit attesting to this fact, and finally, Vice-President O'Brien's statement, breathing confidence from beginning to end, that the public, once they smoked STRAIGHTS, will know that it is the millennium in ten-cent pure Turkish cigarettes and will appreciate it as such.

CONSIDER, furthermore, the pictures and affidavits which we printed in previous advertisements, all to acquaint you with the care with which The American Tobacco Company purchases the leaf in Turkey and examines and re-examines it—the novel Blending Board which patiently tests the different crops in order to maintain the general excellence of the blends—all these various processes of manufacture to convince you that it is only reasonable to expect the satisfying smoke which STRAIGHTS give you—equalled nowhere at the price.

REMEMBER we want everyone who can to visit the STRAIGHTS factory, 337-347 West 27th Street, New York City. A postal with your name and address will bring the cards of invitation promptly.

*Egyptienne Straights Cigarettes Are Made and Guaranteed by The American Tobacco Company*

### NORWICH UNIVERSITY

The entire corps of cadets and some of the faculty have received the first treatment of the typhoid prophylaxis. The treatment will be completed by May 10. The serum was secured from the war department through the adjutant general

of the state. This is the first time the entire corps of Norwich university has been given this treatment.

Tuesday evening at evening parade, the officers of the squadron were presented with their commissions. After the parade they were given the oath of allegiance to the state and nation.

Thursday morning for the regular work

chapel talk. Professor Sassano gave a very interesting talk to the corps on "Cooperation in College Life." His remarks were received with much enthusiasm.

The lecture to be given by Dr. W. J. Brickley of Boston has been postponed until a later date.

Plans have been developed and the work commenced for setting several

more cannon about the hill. There are to be three southwest of Jackson hall overlooking the railroad track, two east of the Dodge hall overlooking the village, and two beside the flag pole which is to be erected near the location of the one blown down last year.

On Monday evening Professor Flint gave a party to his class in Shakespeare

at his new home on Crescent street. A very enjoyable evening was reported by all present.

Thursday evening the freshmen class gives its annual hop in Dewey hall. They plan to outdo anything put on before this year, and are spending much time and thought decorating the hall.

Captain C. N. Barber, regimental adjutant, Lt. J. C. Waterman, U. S. A., editor instructor of the Vermont National Guard, and Sergeant Charles Steele, U. S. A., sergeant instructor of the Vermont National Guard, are to have offices on the lower floor of Jackson hall.

President Reeves and Lieutenant Park went to New York on Thursday, where they attended a dinner given by

Major Wallace Batchelder to the Rough Riders at the Union League club.

### SOUTH BARRE.

There will be a pound party at the South Barre grange hall Tuesday evening for the benefit of a sick member. The public is cordially invited.
